The Department of Health lists all the current licensed hospital bed stat information on their website.

- Go to: <http://hospitals.nyhealth.gov/> When the page opens up.
- Click on the ALPHABETICAL SEARCH under the letter of the hospital that you want stats for. *(EG. Click on B and then go to the bottom of that next page to select BUFFALO GENERAL HOSPITAL.)*
- When that page pops up, go to the bottom of the page and click on SEE ALL BED TYPES. The bed stats for that hospital pop up.

NOTE: The VAWNYHS bed stats are not available on this web site and are posted on the GME web page:

<http://wings.buffalo.edu/smbs/GME/index.php>

- Go to: DIRECTORS/ADMINISTRATORS.
- Click on PROGRAM ADMIN RESOURCES.
- Click on HOSPITAL CERTIFIED BED STATS.
- A PDF with the VAWNYHS hospital bed stats is listed there.
