		Electronic Residency Application Service begins	Applications go out	Residency Interviews				Early Match Results	MATCH DAY!	Capstone	Graduation & Dinner Dance	On to residency!		
Seniors must sit for both parts the USMLE Step II exam by December 31 of the senior year; a passing grade on both components is required to graduate.														

Key:

CPM is the Clinical Practice of Medicine Course

USMLE is the United States Medical Licensing Exam

* Seniors have the opportunity to do electives as 'away rotations' outside Buffalo during senior year including international experiences.
