CONFERENCE OBJECTIVES

The goal of this conference is to update the participants on the latest advances in the diagnosis and management of a wide array of psychiatric disorders. Through lectures, workshops, and small group discussions, complex data will be translated into simple, clinically relevant information that will be useful to the practicing clinician. At the completion of this activity, the participant should be able to:

1. Learn about the contributions of social media and having a parent with one of the Diseases of Despair to adolescent suicidal risk and to the rise in the adolescent suicide rate.
2. Differentiate the effects of substance use on pain from the effects of pain on substance use.
3. Define the essential elements of a comprehensive behavioral health crisis system.
4. Develop appreciation of the frequency and consequences of substance use disorders in people with bipolar disorder.
5. Gain an understanding about the genetic contributions to brain development.

CME ACCREDITATION & CERTIFICATION

The University at Buffalo, Jacobs School of Medicine and Biomedical Sciences is accredited by the ACCME to provide continuing medical education for physicians.

The University at Buffalo, Jacobs School of Medicine and Biomedical Sciences designates this live activity for a maximum of 12.00 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME ACCREDITATION & CERTIFICATION

The Department of Psychiatry is recognized by the NYS Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists. This program has been designated for a maximum of 12.0 CE credits. Psychologists should only claim credit commensurate with the extent of your participation in the activity.
